Remembering *The Book Of Zohar*

Question: What kind of spiritual advancement did we gain at *The Zohar* Convention 2010 that was held last week?

Dr. Laitman's Answer: We went through enormous changes. I felt that the nation of Israel did not simply receive *The Book of Zohar*, but returned to it. It wasn't the reception of something new, but the joy of people who found what they once lost.

Maybe they can't even give themselves an explanation of what happened to them, but I saw that this is exactly what their souls experienced. They felt that they found what they lost two thousand years ago. They aren't studying *The Book of Zohar* now, but are remembering it.

Indeed, this is the case: They aren't finding out something new, but are rejoicing about the return of something that was once lost. Therefore, I think that the nation of Israel went through a great, wonderful spiritual ascent. Moreover, this doesn't apply just to the people who were with us at the Convention. It was a step forward for the entire dissemination of the science of Kabbalah among the nation of Israel, which will later be joined by all humanity. Thus, all of Babylon (all of humanity) is returning to its spiritual source.

There is reason to hope that all the souls will unite into one soul of Adam in our lifetime and we will attain the state of the Final Correction, the World of Infinity, the corrected common soul. I believed in this and waited for it, but our success exceeded all my expectations. I think that we are being given great opportunities from Above to correct our nature.

There is still a lot of work ahead of us, which is special and yet difficult. At the same time, it is extremely important and exalted, and we have to be grateful that the Creator has chosen to fulfill His great plan through us.

Now all we have to do is continue to disseminate Kabbalah among the nation of Israel with the help of all the people who took part in the Convention together with us. By virtue of the wisdom of Kabbalah and the force of the Light of *The Book of Zohar*, Israel will unite into a single nation, as Baal HaSulam writes in the newspaper "The Nation" and Item 70 of "Introduction to The Book of Zohar." This is possible only by uniting the hearts, and that can only happen by the force of the Light that Reforms, which raises us above our egoism.

I would like to thank all the people who came to the Convention from many different countries all around the world. Together we will be able to carry out this great correction, and judging by the speed of its current dissemination, it is bound to happen very fast.

The time has not yet arrived to reveal the true depth and greatness of what is unfolding, but I can say that we carried out exalted and mighty inner corrections. And this will soon be expressed inside us and in the world.
