The Spiritual GPS

Is there a "GPS" in spirituality like in our world?

In spiritual development, man moves toward states that he cannot locate or describe in advance; he doesn't have a "GPS" as in our egoistic world, that can be used for precise calculations. In spirituality, that cannot be, as man does not have the tools to see the next picture.

The truth is that he is shown the picture, but in an opposite way, the undesirable. If man understands that rejection from connection with others is the next form which he should change his attitude to, then it is called the "spiritual GPS". But it is in reverse, in a form unpleasant to the ego, to man's desire to receive.
