At Eye Level

How do we give the correct message to the nation and how should we speak to the masses?

We don't need to explain to the nation about the Upper Force or to talk to them about this at all, but to talk to people at eye level about what is happening around them. Take material from Dr. Laitman's blog and work with it in all sorts of ways. Do this without mentioning where it comes from and enter it into Facebook and other sites in the internet.
