Money and Connection

How can one maintain correct balance on our way, in connection to money?

Each one needs to look at himself from the side and check, "How much money do I need to exist? How much is really essential for my existence?" To really begin my bank account from zero and check.

If we are speaking here of a big company, it's worthwhile to combine together for shared buying for everyone, after each one in the society decides to waive his comfort by being aware that in this way everyone together will profit, also from a cheaper price (because of central purchase) and mainly from the connection.

The problem is that there is still no connection between us, thus that within us there is the sensation that we can profit from this connection is really a spiritual sign. Thus also if we try to implement this idea today, we will discover that we are not able to. It isn't simple, but it's worthwhile trying.

The Daily Bites

March 1, 2011

We are speaking about spiritual forces that operate during a period, a certain power and action.

"Messiah Ben Joseph" is called the force that gathers all the attributes, all the bestowal from above, forty- nine of the first *Sefriot* and brings them to *Yesod* (foundation), prepares them for implementation, arranges them for correction, for the correct use according to the lower ones in the way that all of them already are found in *Malchut* (kingdom). This means that those that are awakened to reach contact with the Light that gathers in *Yesod*, will be able to use it for the sake of correction. The soul of the Ari and the soul of Baal HaSulam, and those who work in preparation for realization, they are called, "Messiah Ben Joseph."

And the force that already realizes the correction is called, " Messiah Ben David." It depends on the period. It can be a person or representatives who will lead humanity to realization, to correct itself, who actually come to attract all of humanity to correction, and the correction will begin to be realized in a large amount of people. These people will be called, "representatives of Messiah Ben David."
