### To Develop Correctly

#### How do I know that I am developing correctly?

If we are speaking about equality among all the members of the world group, about that part of humanity, called group, that comes to correct itself, then equality in the group is only in the value given and the bestowal to the Creator, and in relation to love of others and love of God.

We develop only through the genuine, original writings: *The Book of Zohar*, the writings of the Ari, and the writings of Baal HaSulam. This is our foundation. We learn only from these writings, and according to what we understand, we develop. Utilizing the advice of these great Kabbalists is called our development, even though we don't know if this is correct or not, but only try each time to see and understand anew what needs to be done.
