Required To Work

We need to understand why we work and to clarify that we don't lie to ourselves.

We need to understand who obliges us to work and to determine if we don't lie to ourselves, especially concerning the reasons for the work. Do I really work for the sake of bestowal or is it from the desire to fulfill myself? If it is about self-fulfillment, then we need to clarify exactly on which level we are.

If I begin to work within a lie, this will cause false results. However, I will discover the lie only later; now I don't know that the results will be false. The most important thing is to exert efforts in the right direction, that the greatness of the Creator and honesty oblige me to work.
