## Daily Kabbalah Tip

*Advice in the daily Kabbalah lesson is recommended, practical tasks for advancing spiritually*

### Together

#### **How do we perform a joint offense so as not to continue to operate, each one, alone?**

You all need to be together in a joint offense. If you aren't connected together, study together, and go into the system daily together, then it's a problem. I know that at least one half of the people don't go into the system daily or don't even sign in. You must do several joint activities daily, especially around this system, this simulator. Each one is able to enter and be a part of the system, with a response, reading a passage, listening to a song, etc. You need to do joint activities. The enlightenment will create the *Kli*.

The main thing is that from doing this, we, while we study, talk about it.

"Answer" means the rising of *Malchut* (Kingdom) to *Bina* (Intelligence) after corrections, when *Malchut* takes the attributes of *Bina* upon itself and then is able to connect to *Zeir Anpin* (small face) and reach with it the coupling that is called, "the Godliness experience" in which all the *Kelim* reach adhesion with *Zeir Anpin* and discover all the Lights; that is, the Creator is revealed to the created being. As it is written, "The *Hey* (fifth letter of the alphabet) will return to the *Vav* (sixth letter of the alphabet)." This means that *Malchut* performs an answer.
