Arvut (Mutual Guarantee)

We need to clarify what Arvut is and what we need it for

During the Convention we need constantly to be involved with the meaning of the word "Arvut." Who guarantees who? What it is for? What does Arvut give me? How much do I need it? What do I need to give and what do others need to give?

"Arvut" is a profound word, frightening and committing. It is the *Kli* in which all is revealed. According to the measure of Arvut that we attain, we pass from darkness into Light, from this world to the discovery of a spiritual world. It all depends on Arvut.

Thus we should interpret the word *arvut* with increased correctness, to clarify the content of the word so that it will be as close to us as possible to our worries, fears, and expectations.
