Generation that Is Totally Obligated

In our generation we must reach the connection between people.

Today we reached the level of development in which people are ready to minimize and not think about great pleasures, still finding a way to sweeten the corporeal life, just not to suffer. Avoidance of suffering is the pleasure. That's natural. The small joys of people must make us happy. It's not an evil joy but a possibility that the Creator gives them to be happy.

In the meantime, we need to publicize the wisdom of Kabbalah that will speak to their suffering enough to get them to open Channel 66. During the time they enjoy without suffering, we need to work.

We are approaching a point in which we will be obliged to get along with nature, with the Creator, in a global way. Our generation must reach a connection between all peoples in order to be on a suitable level for guidance. Whoever has a point in the heart is indebted with the corrected of the world. Whoever doesn't, sits in a coffee house and enjoys. What else does he have?

Prayer of Many

What is a prayer and when is it called, "prayer of many"?

The correction is performed through an act called, "prayer." "Prayer" is the revelation of real deficiency in a person. The work of the prayer is called, "to pray," which means to judge oneself, to clarify one's character.

The prayer can only be for the connection and there is nothing else one needs to pray for. This is called, "prayer of the public" or "prayer for many." Connection is an attribute of the Creator and the lack of the connection is the real reason for all of the negative things of this world.
